The screenshot shows a user interface for a community platform. At the top, there's a navigation bar with links for Sears, mysears, CRAFTSMAN, Kenmore, PartsDirect, LANDSTEND, Sears Outlet, SHC Vendors, and See all. Below the navigation is the MyKmart logo and a search bar with a magnifying glass icon and a 'GO' button. To the right of the search bar are 'Login' and 'Join the community' links, followed by 'Feedback' and 'Go Shopping: Kmart'. Below the search bar are tabs for 'Categories', 'Q&A's', 'Blog Posts', 'Guides', and 'Customer Care'. On the left, under the heading 'Question', there's a placeholder for an 'Image' (indicated by a gray square with a diagonal line). Below the image placeholder is the text '<Month, Date, Year>'. The main content area contains a question from 'Kristina23' from 'Portland, OR' asking: 'Q: Lorem ipsum dolor sit amet, ut pri congue vivendo scaevola?'. There are 'Share' and 'Post' buttons below the question. A blue callout bubble labeled '2' points to a 'Screen Name Required' input field. Another blue callout bubble labeled '1' points to a 'Leave an answer' button with a dropdown arrow. To the right, there's a sidebar titled 'First Time Here?' with a link to 'MyKmart Community FAQ' and sections for 'Customer Care' and 'General'. The sidebar also lists three categories: 'Lawn & Garden' (with 1 answer), 'Lawn & Garden' (with 1 answer), and 'Lawn & Garden' (with 2 answers). Each category entry includes a snippet of text and a 'See More' link.

Interaction Specifications

- This page represents standalone Question page.

1. Leave an answer

- Default view:
 - Signed in users: When user clicks on 'Leave an answer' link, form to expand.
 - Guest users: When user clicks on 'Leave an answer' link, navigate user to registration. If user registers afterwards, form to expand.
- Expand view:
 - When user clicks on 'Leave an answer' link, form to collapse.
- Post button: onClick, system to submit the form.
- Cancel button: onClick, the inline form will collapse without submitting.

2. User without Screen Name

- This condition is required and applies when user doesn't have a screen name in the system. User will only need to go through this process once. Once screen name is created, it can't be changed.
 - The screen name form will only appear if the user has not selected a screen name.

Interaction Specifications

- This page represents a standalone Guides post. The right rail widgets for this page can only be modified at the category landing level (Lawn & Garden), which would apply to all Guides single standalone pages.

1. Leave a comment

- Default view:
 - Signed in users: When user clicks on 'Leave a comment' link, form to expand.
 - Guest users: When user clicks on "Leave a comment" link, navigate user to registration. If user registers afterwards, form to expand.
- Expand view:
 - When user clicks on 'Leave a comment' link, form to collapse.
- Post button: onClick, system to submit the form.
- Cancel button: onClick, the inline form will collapse without submitting.

2. User without Screen Name

- This condition is required and applies when user doesn't have a screen name in the system. User will only need to go through this process once. Once screen name is created, it can't be changed.
- The screen name form will only appear if the user has not selected a screen name.

Interaction Specifications

- This page is a continuation of a standalone Guides post.

1. FLAG

- The 'Flag' icon exists so users, logged in or not, can report inappropriate reviews.
- Flag icon: onClick, the Flag Modal fires.

2. FLAG MODAL

- Flag Form: User can enter their concerns here. No character limit.
- Cancel button: onClick, close the form without submitting any information.
- Flag button: Submits the form to the <moderator>. If the user is signed in, their email address and name should be submitted with the form as well.
- After the concern is submitted, a tooltip confirmation message displays 'Thanks for your concern. We'll look into it as soon as possible.' The flag icon will change color from grayscale to red indicating your report.

- This page is a continuation of a single Blog post.

VOTING

- Default View (No vote has been submitted):
 - Both the thumbs up and thumbs down ratings are in normal state.
- Thumbs up: onClick, activates the Thumbs Up icon and increments the number of upvotes by one. Default condition is unactivated, unless the current user has previously upvoted this review. This information is saved to a user's site cookie.
 - Number of upvotes: Displays the number of upvotes associated with the database

- Thumbs down: onClick, activates the Thumbs down icon and increments the number of downvotes by one. Default condition is unactivated, unless the current user has previously downvoted this review. This information is saved to a user's site cookie.
 - Number of downvotes: Displays the number of downvotes associated with the database

Conditions

- User switches from one vote to another during the same session:
 - The newly selected icon will be marked as activated. Meanwhile, the previous selected icon will be unactivated automatically. Once user had switched his voting, the newly activated counter will increase its number by one vote. Meanwhile the deactivated vote counter will decrease its number by one.
- User deselects his vote:
 - By clicking on an already activated vote, system will void its vote accordingly. Hence, it will go back to 'Default View' (No vote has been submitted). Once this action is performed, its counter will adjust accordingly as well.

The screenshot shows a web page for the MyKmart community. At the top, there's a navigation bar with links to various Sears and Kmart sites like Sears, mysears, CRAFTSMAN, Kenmore, PartsDirect, LANDSTEND, Sears Outlet, SHC Vendors, and a 'See all' link. Below the navigation is the MyKmart logo, a search bar with a magnifying glass icon and a 'GO' button, and links for 'Login', 'Join the community', 'Feedback', and 'Go Shopping: Kmart'. A horizontal menu bar includes 'Categories', 'Q&A's', 'Blog Posts', 'Guides', and a 'Customer Care' button.

The main content area features a section titled 'Meet the MyKmart community Team' with three 'Expert' profiles, each with a placeholder text block. To the right is a 'Recent Questions' sidebar with three entries, each showing a question title, a category like 'Lawn & Garden', a date placeholder '<Month, Date, Year>', a snippet of the question, and a '1 answer' link. Below each entry are 'Share' and 'See More' buttons. At the bottom left, there are three user profiles for 'SHC-SamA' from 'Round Rock, TX', each with an 'Image' placeholder, an 'Expert' status, and a 'See More' button.

The screenshot shows the MyKmart community FAQ page. At the top, there's a navigation bar with links to various Sears and Kmart brands like Sears, mysears, CRAFTSMAN, Kenmore, PartsDirect, LANDSTEND, Sears Outlet, SHC Vendors, and a 'See all' link. Below the navigation is the MyKmart logo, a search bar with a magnifying glass icon and a 'GO' button, and links for 'Login', 'Join the community', 'Feedback', and 'Go Shopping: Kmart'. A horizontal menu bar below the search bar includes 'Categories', 'Q&A's', 'Blog Posts', 'Guides', and a 'Customer Care' button. The main content area features a large heading 'MyKmart Community FAQ' and a placeholder text '<Month, Date, Year>'. Below this, there are five sections, each starting with a question 'Lorem ipsum dolor sit amet, consectetur adipiscing elit?' followed by a generic response: 'Suspendisse arcu dui, fermentum gravida elementum iaculis, pretium eget est. Vestibulum non null. rem ipsum dolor sit amet, consectetur.'. This pattern repeats for five sections.

Forbes Recognizes Sears as Leader in Hiring Veterans

By: SHC-MichaelM

Forbes.com recognized Sears this week for its impressive role in employing veterans during the massive down-sizing of the U.S. military and defense industry. Sears hired more than 3,500 U.S. military veterans in 2012, and they plan to hire more than 5,000 more in 2013.

Sears has been a nationwide leader in hiring veterans since World War I and also has programs in place to support military spouses, too. Sears' Permanent Change of Station (PCS) Promise, for instance, helps relocating spouses find... See More

Kettlebell Workouts Blast Fat and Build Muscle

By: SHC-MichaelM

by Melissa Murphy

No doubt you've heard of kettlebells. They are one of the latest fitness crazes to sweep the country, and for good reason. A kettlebell workout is a versatile, effective workout that combines cardio and strength-training. And this workout will yield results – fast.

What is a Kettlebell?

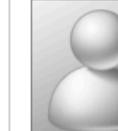

A kettlebell is a training and exercise tool that looks like a cannonball with a handle at the top. Even though they've caught on in fitness circles in recent years, kettlebells are not... See More
