Lawn & Garden <Month, Date, Year>

### <Guide Post Title>

By: SHC-SamA

Professionally synergize professional interfaces and cross functional best practices. Continually streamline scalable content after leading-edge process improvements. Uniquely initiate web-enabled e-commerce through business products.

Phosfluorescently morph seamless results vis-a-vis premium expertise. Conveniently disseminate 24/7 deliverables after ethical sources. Continually integrate state of the art e-commerce after user friendly benefits.

Credibly synergize high-payoff meta-services vis-a-vis economically sound synergy. Rapidously network emerging infomediaries vis-a-vis best-of-breed best practices. Seamlessly network leveraged niche markets without high-payoff supply chains.

Quickly grow professional services vis-a-vis empowered niche markets. Uniquely simplify installed base alignments for fully researched growth strategies. Credibly impact long-term high-impact platforms and cross functional meta-services.

Continually mesh pandemic alignments vis-a-vis backward-compatible e-tailers. Distinctively productize front-end action items for end-to-end web services.

## Interaction Specifications

- This page is a continuation of a single, standalone Guides post.

### 1.- LEAVE A COMMENT

#### Functionality:

-Condition 30 – Default View – Leave a Comment in Blog Post and/or Buying Guide  
Leave a Comment  
On click, system will expand the form

-Condition 40 – Leave a Comment Form  
This condition applies when signed in user clicks on “Leave a Comment” link on the blog post and/or buying guide page. For guest user, s/he must signed in before proceed.

-Post: On click, system submit the form. Confirmation will be displayed once submission is completed successfully.

-Cancel: On click, the inline form will collapse.

Condition 70 – User without Screen Name  
This condition applies when user doesn't have a screen name in the system  
User will only need to go through this process once. Once screen name is created, it can't be changed.

### 2.- FLAG

#### Functionality:

The “Flag” button exists so users (logged in or not) can report inappropriate reviews. The “Flag” button does not appear when a logged in user views their own review.

-Flag button: onClick the Flag Modal fires.

#### FLAG MODAL

-Flag Textfield: User can type their concern here. No character limit.

-Close: On-click, closes the layer

-Cancel Button: Close the layer without submitting any information.

-Report Button: Submits the textfield text to the moderator. The user is not required to be signed in to click on this link, however if the user is signed in, their email address and name should be submitted with the form as well.

-After the concern is reported, the text that used to say “Report a concern” now says the confirmation message, (the report flag changes to from grayscale to red)

# Communities\_2013.1.24\_v0.01\_hshariff.graffle

The wireframe shows the layout of the MyKmart Community landing page. At the top, there's a navigation bar with links to various Sears and Kmart sites like SHIP YOUR WAY, Sears, myKmart, CRAFTSMAN, Kenmore, PartsDirect, LANDSEND, Sears Outlet, SHC Vendors, and a 'See all' link. Below the navigation is the MyKmart logo and a search bar with a 'GO' button. The main content area has tabs for Categories, Q&A's, Blog Posts (which is selected), Guides, and Customer Care. The 'Blog Posts' section displays two blog post cards. Each card includes a placeholder 'Image' (marked with a red X), a category ('Lawn & Garden'), a title ('<Blog Post Title>'), the author ('By: SHC-SamA'), the number of comments ('0 comments'), a preview of the post content ('Lorem ipsum dolor sit amet, consectetur adipiscing elit. Suspendisse arcu dui, fermentum gravida elementum iaculis, pretium eget est. Vestibulum non null. rem ipsum dolor sit amet, consectetur adipiscing elit. Suspendisse arcu dui, fermentum gravida elementum iaculis, pretium eget est. Vestibulum non nulla'), a 'See More' link, a '1 Comment' link, and a 'Share' link. The right side of the page features a sidebar with sections for 'About', 'First Time Here?' (with links to MyKmart Community FAQ, Customer Care, and General), and 'Related Stories' (also showing blog post cards with placeholder images). Blue callout bubbles numbered 1 through 5 point to specific elements: 1 points to the 'Blog Posts' tab, 2 points to the 'About' section, 3 points to the first blog post title, 4 points to the 'First Time Here?' section, and 5 points to the second blog post title.

## Interaction Specifications

- This page is a continuation of a single, standalone Blog post.

### VOTING

#### Functionality:

- Condition 10 – Default View (No vote has submitted)  
Both the thumbs up and thumbs down ratings are in normal state.
- Condition 20 – User selects a vote  
Associated call to action will be marked as selected.  
Once user had selected a “Thumb up” option, the associate counter will increase its number accordingly.
- Condition 30 – User switches from one vote to another during the same session.  
Associated call to action will be marked as selected. Meanwhile the other vote will be deselected automatically. Once user had switched his voting, the newly selected counter will increase its number accordingly. Meanwhile the “deselected” vote counter will decrease its number as well.
- Condition 40 – User deselects his vote  
By clicking on the selected vote again, system will void its vote accordingly. Hence, it will go back to “Condition 10 – Default View (No vote has submitted)” State. Once this action is performed, its counter will adjust accordingly as well.
  - Number of upvotes: Displays the number of upvotes associated with the database
  - Thumbs up: On-click, activates the Thumbs Up icon and increments the number of upvotes by 1. Default condition is unactivated, unless the current user has previously upvoted this review. This information is saved to a user’s site cookie.
  - Number of downvotes: Displays the number of downvotes associated with the database
  - Thumbs down: On-click, activates the Thumbs down icon and increments the number of downvotes by 1. Default condition is unactivated, unless the current user has previously downvoted this review. This information is saved to a user’s site cookie.

# Communities\_2013.1.24\_v0.01\_hshariff.graffle

The screenshot shows the MyKmart community team page. At the top, there's a navigation bar with links to various Sears and Kmart websites like Sears, mysears, CRAFTSMAN, Kenmore, PartsDirect, LANDSTED, Sears Outlet, SHC Vendors, and a 'See all' link. Below the navigation is the MyKmart logo and a search bar with a magnifying glass icon and a 'GO' button. To the right of the search bar are links for 'Login' and 'Join the community', and 'Feedback' and 'Go Shopping: Kmart'. Below the search bar are four categories: 'Categories', 'Q&A's', 'Blog Posts', and 'Guides', followed by a 'Customer Care' button. The main content area has a title 'Meet the MyKmart community Team'. Below it, there are three 'Expert' profiles, each with a small image placeholder, the name 'SHC-SamA', 'Round Rock, TX', and a timestamp 'Last Posted on <Month, Date, Year>'. Each profile also includes a '1 answer | 0 posts | 0 comments' summary. On the right side, there's a sidebar titled 'Recent Questions' which lists three recent questions from the 'Lawn & Garden' category, each with a timestamp, a snippet of the question, and a '1 answer' link. Below each question are 'Share' and 'See More' links.

The screenshot shows the MyKmart community FAQ page. At the top, there's a navigation bar with links to various Sears and Kmart brands like Sears, mysears, CRAFTSMAN, Kenmore, PartsDirect, LANDSTEND, Sears Outlet, SHC Vendors, and a 'See all' link. Below the navigation is the MyKmart logo, a search bar with a magnifying glass icon and a 'GO' button, and links for 'Login', 'Join the community', 'Feedback', and 'Go Shopping: Kmart'. A horizontal menu bar below the search bar includes 'Categories', 'Q&A's', 'Blog Posts', 'Guides', and a 'Customer Care' button. The main content area features a large heading 'MyKmart Community FAQ' and a placeholder text '<Month, Date, Year>'. Below this, there are five sections, each starting with a question 'Lorem ipsum dolor sit amet, consectetur adipiscing elit?' followed by a generic response: 'Suspendisse arcu dui, fermentum gravida elementum iaculis, pretium eget est. Vestibulum non null. rem ipsum dolor sit amet, consectetur.'. This pattern repeats for five sections.

## MyKmart Community FAQ

<Month, Date, Year>

**1. Lorem ipsum dolor sit amet, consectetur adipiscing elit?**

Suspendisse arcu dui, fermentum gravida elementum iaculis, pretium eget est. Vestibulum non null. rem ipsum dolor sit amet, consectetur.

**2. Lorem ipsum dolor sit amet, consectetur adipiscing elit?**

Suspendisse arcu dui, fermentum gravida elementum iaculis, pretium eget est. Vestibulum non null. rem ipsum dolor sit amet, consectetur.

**3. Lorem ipsum dolor sit amet, consectetur adipiscing elit?**

Suspendisse arcu dui, fermentum gravida elementum iaculis, pretium eget est. Vestibulum non null. rem ipsum dolor sit amet, consectetur.

**4. Lorem ipsum dolor sit amet, consectetur adipiscing elit?**

Suspendisse arcu dui, fermentum gravida elementum iaculis, pretium eget est. Vestibulum non null. rem ipsum dolor sit amet, consectetur.

**5. Lorem ipsum dolor sit amet, consectetur adipiscing elit?**

Suspendisse arcu dui, fermentum gravida elementum iaculis, pretium eget est. Vestibulum non null. rem ipsum dolor sit amet, consectetur.

### Interaction Specifications

- This page represents a single, standalone FAQ which can be modified.

### Page Title Widget Functionality:

1.- Title: Displays text that is manually editable. Text should correspond to the category and post type of the page it is on.

2.- Subtitle: Displays text below Title that is of a smaller heading type. Text is not required, but if used should correspond in subject to the title.

3. - Widget Width: Displays the size of the widget within it's current dropzone. At 100% it will fill it's dropzone, not the entire page.

.- Works well in both dropzones

## Polls Widget

### Functionality:

- Title: Displays text that is manually editable. Not required nor used at all.
- Displays Polls Archive Link Below Poll: If Yes is selected, link will display below widget on the front-end that will link to archive of old polls.
- Polls to Display: Dropdown to select poll. Defaults to "Display Latest Poll." Other options include "Display random Poll," "Do NOT display poll," and a list of specific polls. Polls question and answers will be created in the polls section (different interface)

- Widget Width: Displays the size of the widget within its current dropzone. At 100% it will fill its dropzone, not the entire page.

## POLL FRONT END

- Title: All polls have a header displaying CommunityPoll (hardcoded)
  - Poll Title: Poll question displays here as plain text.
  - Poll Instructions: Displays the number of answers user may choose.
  - Poll Answers: Radio buttons appear next to answers when only one answer is permitted. Check boxes appear when multiple answers can be selected.
  - Vote Button: onClick, poll results to display.
  - Poll Results: Poll results display with a bar graph representation. The poll percentage need not add up to 100 if multiple answers are available.
- Widget is compatible in both dropzones

See More → 6

## Meet the Community Team Widget

### Functionality:

1. - Widget Title: Displays text that is manually editable. Default text states "Meet the Community Team"
  2. - Widget Subtitle: Displays text that is manually editable. Default text states "Whatever your question or issue, we're here to help"
  3. - Number of experts to display: Range between 1-3
  4. - Show Response Stats: Displays stats for Answers, Posts, and Comments
  5. - Show user's specializations: Show a list of specializations set on the User's profile on word press back end.
  6. - Hide 'show all' link: If enabled, the "See More" link that directs to the experts archive, will be removed.
  7. - Automatically select users by category: Instead of allowing manual selection of the experts to be displayed.
  8. - More Link target: Selects the page that the "see more" link directs to. Defaults to the Experts archive page.
  - User Cache out of date: This warning will appear after several days between updates and is normal. It prevents large processing strains due to the number of possible users displayed in each dropdown. OnClick, this will update the widgets cache so that experts can be manually selected for display.
  9. - Select Expert(s): Section expands based on number of experts available. Each expert has a category dropdown and an expert name dropdown of manual selection.
  10. - Widget Width: Displays the size of the widget within its current dropzone. At 100% it will fill its dropzone, not the entire page.
- Widget is compatible in both dropzones

**Forbes Recognizes Sears as Leader in Hiring Veterans**

By: SHC-MichaelM

Forbes.com recognized Sears this week for its impressive role in employing veterans during the massive down-sizing of the U.S. military and defense industry. Sears hired more than 3,500 U.S. military veterans in 2012, and they plan to hire more than 5,000 more in 2013.

Sears has been a nationwide leader in hiring veterans since World War I and also has programs in place to support military spouses, too. Sears' Permanent Change of Station (PCS) Promise, for instance, helps relocating spouses find... See More

**7 Winter Vegetables with Great Health Benefits**

By: SHC-MichaelM

by Colleen McMahon

As more people search out in-season vegetables for their ecological and nutrition benefits, some less familiar winter vegetables are coming to the fore. This is good news, because these root veggies and winter greens are packed with antioxidants, vitamins and minerals that protect against a variety of diseases. Give these seven winter nutritional powerhouses a try.

1. Turnips. Turnips are packed with vitamin C, a powerful antioxidant that's necessary for the body to form... See More

**Kettlebell Workouts Blast Fat and Build Muscle**

By: SHC-MichaelM

by Melissa Murphy

No doubt you've heard of kettlebells. They are one of the latest fitness crazes to sweep the country, and for good reason. A kettlebell workout is a versatile, effective workout that combines cardio and strength-training. And this workout will yield results – fast.

What is a Kettlebell?

A kettlebell is a training and exercise tool that looks like a cannonball with a handle at the top. Even though they've caught on in fitness circles in recent years, kettlebells are not... See More

### Post Widget Hero Slider

#### Functionality:

##### QUERY OPTIONS

-Post ID #: In this text field the numeric ID of a specific picture is entered. The order in which the post ID #'s are entered will be the order that they appear in the slider.

-Number of posts: Chooses the number of images that will appear on the slider, from 1-10

-Widget Width: Displays the size of the widget within its current dropzone. At 100% it will fill its dropzone, not the entire page.

#### BACK END MEDIA SETTINGS

-To include text that will appear over a slider picture:

Step 1) On Word Press back end, go to Media section.

Step 2) Select the image from the slider

Step 3) In the "Title" field, enter the text to appear for that picture on the slider.

Step 4) Click update media.

-To make the slider picture a link that will direct to another URL:

Step 1) On Word Press back end, go to Media section.

Step 2) Select the image from the slider

Step 3) In the "Link URL" field, enter the destination URL to appear for that picture on the slider.

Step 4) Click update media.

#### FRONT END

-Slider cycles to next slide every five seconds.

-Slider Buttons: onClick, slider proceeds to the next or previous slide, depending on which button is selected. Upon this click, the slider cycle resets.
